- Medical documentation is required for:
  - Infants 6 months or older with greater amounts of contract formula in lieu of infant foods
  - Infants and children with exempt formula
  - Children with contract formula
  - Children and women with infant foods
  - Children and women with WIC-eligible nutritionals

- Medical documentation includes an appropriate qualifying medical condition for the formula, quantity (ounces/day), length of use, and food restrictions. The Medical Documentation Form is available at: https://www.health.ny.gov/forms/doh-4456.pdf

- Premature formulas may be provided to premature infants up to their corrected age of 12 months.

- All flavors are approved for NYS WIC eligible formula products.

- The need for Ready-To-Use formula will be addressed by the WIC Program

This institution is an equal opportunity provider.
